DURELL VINEYARD

Sonoma Coast Pinot Blanc

When we planted this Pinot Blanc in the hills of Durell, we wanted to see how the site would express itself in this rare Burgundian variety. We are floored by the results. With just one new barrel in the mix and the rest neutral oak, this wine has purity of fruit and mineral expression framed by a hint of toast. Bright and expansive on the palate, this is serious Pinot Blanc and we couldn't be happier.

We believe in stewardship of the land, the vineyards, and the people. We are for real connections, real history, real wines; experiences you will never forget. We welcome you to our home, the Adobe, for an historic tasting in Sonoma.
