PRICE FAMILY ESTATES

Sonoma Coast Pinot Noir

Our Price Family Estates Pinot Noir is a blend of our vineyards throughout the Sonoma Coast. The core of the wine comes from our Walala Vineyard, a 17-acre site set in the middle of 19,000 acres of redwoods in the furthest northwestern town of Sonoma County. The other key vineyards that make up this wine are Gap's Crown, Durell, and Alana. Each site brings unique characteristics and depth to this bold Pinot Noir. In this bottling, we love the fresh lavender and pine with a core of cinnamon and cherry that demands you keep going back for more. We adore this special Pinot Noir that serves as a tribute to the magnificent vineyards within Price Family Estates.

We believe in stewardship of the land, the vineyards, and the people. We are for real connections, real history, real wines; experiences you will never forget. We welcome you to our home, the Adobe, for an historic tasting in Sonoma.
